

EBTL Product Warranty Policy

All EBTL products are covered under the product warranty. EBTL stands by their customers during and after the product warranty durations. In case, if there is defect in the EBTL products, we encourage our clients to go to our website and fill up the service request form. Our concerned team will get in touch with client within 24 hours. In case of any emergency, clients are requested to get in touch with the sales representative or wherever they have bought the product from or write directly to the company at connect@ebtll.com

During the product warranty duration the EBTL products will be serviced or will be replaced free or cost depending on the case. Post the warranty duration EBTL will still be serving their clients on chargeable basis. In case if the EBTL products users are facing any issues related to product warranty they can get in touch with the company directly.
